GREENWICH GLOBAL INSTITUTE

Greenwich Global Institute (GGI) is a constituent college of Greenwich University duly approved by Sindh Board of Technical Education (SBTE) offering State-of-the-Art Learning Management System for students to access learning resources, interact and prepare for assignments around the clock.

(GGI) is the launchpad for fast paced students as well as those challenged in the conventional education system to shape them into multidimensional professionals suited for globalized marketplace. GGI unlocks alternative pathways to higher education while saving both time and money accelerating your progress so you can be the leader of tomorrow.

- Innovative Study Mechanisms
- Learning & Optimization
- Accredited Qualification
- Shortest Path to University
- Saving Time & Money

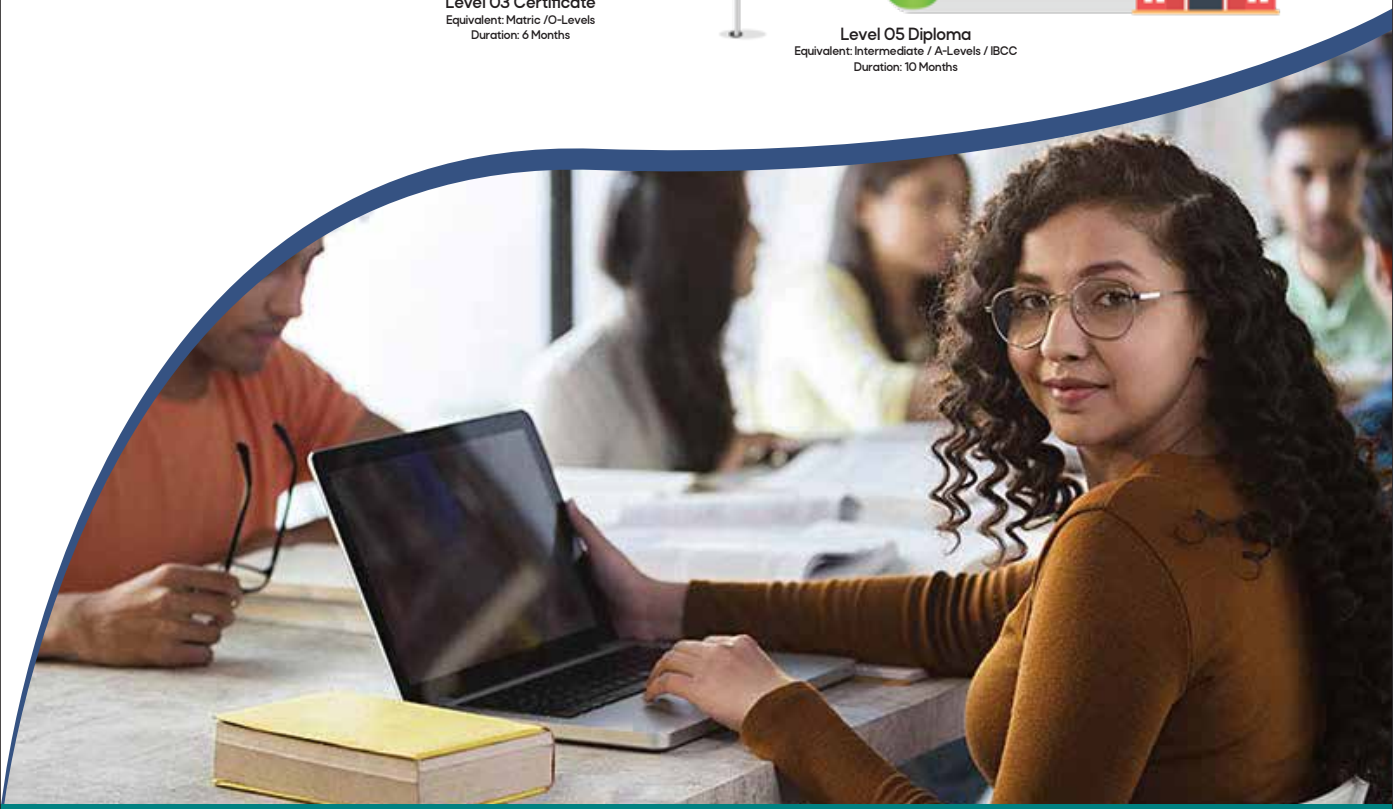

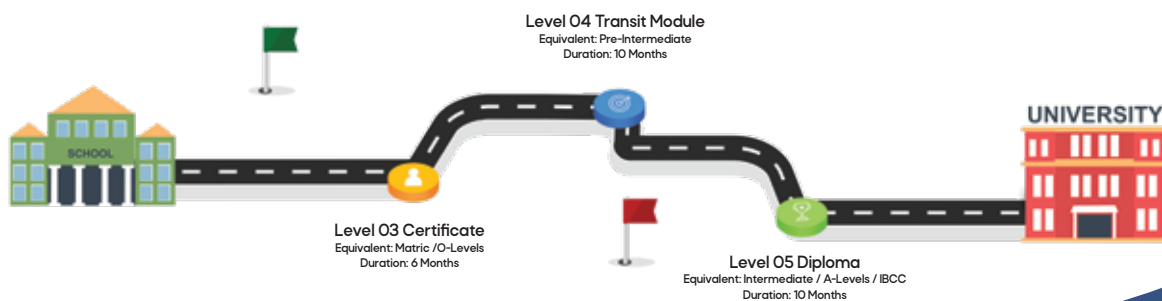

Life @ GGI

GGI offers students a dynamic college life with access to academic, co-curricular, and extracurricular resources and study programs aimed at dealing with desired benefits for students in the professional sphere.

Greenwich Global Institute offers a dynamic campus life with a pluralistic environment, complimenting the diversity of the city where it is situated.

Alongside academics, our students also get community exposure through intermingling of various disciplines through activities designed by the institute. You'll get to know your classmates and colleagues both on and off campus and you will have plenty of opportunities to make friends and to discover your passions. The students remain engaged in designing and executing events, contributing to enrichment of the on-campus societies and clubs.
